**MANAGEMENT INFORMATION CIRCULAR
GOBIMIN INC.**

1000 Sherbrooke Street West, Suite 2700
Montreal, Québec, Canada H3A 3G4

This information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of GobiMin Inc. (the “**Corporation**”) for use at the annual general meeting of the shareholders of the Corporation (the “**Meeting**”), to be held at the time and place and for the purposes set forth in the accompanying notice of meeting and at any adjournment thereof. **Unless otherwise noted, the information provided hereof is as of April 27, 2021.**

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed instrument of proxy is solicited by management of the Corporation. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Corporation. The Corporation may reimburse shareholders’ nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining from their principals’ authorization to execute forms of proxy. The cost of solicitation will be borne by the Corporation. None of the directors of the Corporation have advised that they intend to oppose any action intended to be taken by management as set forth in this information circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying instrument of proxy are directors or officers of the Corporation. **A shareholder has the right to appoint a person other than the persons named in the enclosed instrument of proxy to attend and act for him on his behalf at the Meeting. To exercise this right, a registered shareholder shall strike out the names of the persons named in the instrument of proxy and insert the name of his nominee in the blank space provided, or complete another instrument of proxy. The completed instrument of proxy should be deposited with the Corporation’s registrar and transfer agent, Computershare Investor Services Inc. at 8th Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1 at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and other statutory holidays.**

The instrument of proxy must be dated and be signed by the registered shareholder or by his attorney in writing, or, if the shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

In addition to revocation in any other manner permitted by law, a registered shareholder may revoke a proxy either by (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid, or (b) signing and dating a written notice of revocation (in the same manner as the instrument of proxy is required to be executed as set out in the notes to the instrument of proxy) and either depositing it at the place and within the time aforesaid or with the chairman of the Meeting prior to the commencement of the Meeting or any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked.

Only registered shareholders have the right to revoke a proxy. *A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.*

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution will do so in accordance with such direction.

In the absence of any direction in the instrument of proxy, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this information circular. The instrument of proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to any matters which may properly be brought before the Meeting. The enclosed instrument of proxy does not confer authority to vote for the election of any person as a director of the Corporation other than for those persons named in this information circular. At the time of printing of this information circular, the management of the Corporation is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

NON-REGISTERED HOLDERS

The record date for determination of the holders of common shares of the Corporation entitled to receive notice of, and to vote at, the Meeting is April 9, 2021 (the “**Record Date**”). Only shareholders whose names have been entered in the register of common shareholders at the close of business on the Record Date (“**Registered Shareholders**”) will be entitled to receive notice of, and to vote at, the Meeting.

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Corporation are “non-registered” shareholders because the common shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the common shares. More particularly, a person is not a Registered Shareholder in respect of common shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the common shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency of which the Intermediary is a participant. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration for the Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms).

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “**NOBO’s**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “**OBO’s**”. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has elected to send the notice of meeting, this information circular and the proxy (collectively, the “**Meeting Materials**”) directly to the NOBO’s, and indirectly through Intermediaries to the OBO’s. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Meeting Materials sent to Non-Registered Holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “**VIF**”) instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Non-Registered Holder is able to instruct the Registered Shareholders how to vote on behalf of the Non-Registered Shareholders. VIFs, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the common shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

The Meeting Materials are being sent to both Registered Shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Corporation or its agent has sent the Meeting Materials directly to you, your name and address and information about your holding of common shares of the Corporation have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send the Meeting Materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

Non-Registered Holders will not be entitled to exercise Dissent Rights directly (unless the Common Shares are re-registered in the Non-Registered Holder’s name). A Non-Registered Holder who wishes to exercise dissent rights should immediately contact the trustee, broker or intermediary who deals with his or her Common Shares and either: (i) instruct such intermediary to exercise the dissent rights on the Non-Registered Holder’s behalf; or (ii) instruct the intermediary to re-register the securities in the name of the Non-Registered Holder’s (which may not be possible in the case of Common Shares held in a registered plan), in which case the Non-Registered Holder would have to exercise the dissent rights directly through the trustee, broker or intermediary.

All references to shareholders in the Meeting Materials are to Registered Shareholders unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The record date for the purpose of determining holders of Common Shares is April 9, 2021. Shareholders of record on that date are entitled to receive notice of and attend the Meeting and vote thereat on the basis of one vote for each Common Share held, except to the extent that a registered Shareholder has transferred the ownership of any Common Shares, subsequent to the Record Date and the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than 10 days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, in which case, the transferee shall be entitled to vote his or her Common Shares at the Meeting. The transfer books will not be closed.

The Corporation has an authorized capital consisting of an unlimited number of Common Shares without nominal or par value. As of the Record Date, there were 49,194,982 Common Shares issued and outstanding as fully paid and non-assessable.

The By-laws of the Corporation provide that, if holders of records of ten percent (10%) of the issued Common Shares entitled to vote are present in person or represented by proxy, a quorum for the purposes of conducting a Shareholder meeting is constituted.

Any registered Shareholder at the close of business on the Record Date who either personally attends the Meeting or who completes and delivers a proxy, will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under the form of proxy will be entitled to vote the Common Shares represented by that form of proxy only if it is effectively delivered in the manner.

As of Record date, to the knowledge of the directors and senior officers of the Corporation, the following sets out the only persons, firms or corporations owning of record or beneficially, directly or indirectly, or exercising control or direction over, 10% or more of the issued and outstanding Common Shares:

Shareholder Name ⁽¹⁾	Type of Ownership	Number of Common Shares	Percentage of Common Shares Owned or Over Which Control or Direction Exercised

The JOR Outstanding Filings were completed in January 2017 and the JOR CTO issued by the Commissions had been revoked effective February 21, 2017.

On May 31, 2011, the AMF instituted proceedings before the Bureau de decision et de révision (the “**BDRVM**”) wherein the AMF sought payment by Palos Management Inc. (“**Palos**”), a company for which Mr. Marleau was then acting as president and chairman, of a monetary penalty of \$36,500 and an order requiring Palos to submit certain components of certain financial statements which the AMF alleged were not duly filed for the periods ending June 30, 2009, December 31, 2009 and June 30, 2010. The proceedings related to investment funds managed by Palos and offered under statutory prospectus exemptions. In the interim, Mr. Marleau resigned as president and chairman of Palos. On November 23, 2011, Palos and the AMF entered into a joint submission and acknowledgement of facts in which Palos acknowledged the facts alleged by the AMF and agreed to pay an administrative penalty of \$26,500.

- (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Corporation;
- (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Corporation or who exercises control or direction over voting securities of the Corporation, or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Corporation, other than voting securities held by the person or company as underwriter in the course of a distribution; and

STATEMENT OF EXECUTIVE COMPENSATION

In this section "Named Executive Officer" ("**NEO**") means any individual who, during the financial year ended December 31, 2020, was:

- (a) the chief executive officer (or an individual who acted in a similar capacity) of the Corporation ("**CEO**");
- (b) the chief financial officer (or an individual who acted in a similar capacity) of the Corporation ("**CFO**"); and
- (c) one of the three other most highly compensated executive officers of the Corporation or any of its subsidiaries or the three most highly compensated individuals acting in a similar capacity (except those whose total salary and bonus does not exceed CDN\$150,000).

The Corporation had two Named Executive Officers during the financial year ended December 31, 2020, namely, Felipe Tan, President and CEO and Joyce Ko, CFO, VP Corporate Affairs & Secretary.

All currency references herein are expressed in Canadian Dollars unless otherwise specified.

Compensation Program Objectives

The objectives of the Corporation's executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Corporation's continued success;
- to align the interests of the Corporation's executives with the interests of the Corporation's shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics.

Purpose of the Compensation Program

The Corporation's executive compensation program has been designed to reward executives for reinforcing the Corporation's business objectives and values, and for their individual performances.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus and stock option.

Purpose of Each Element of the Executive Compensation Program

The base salary of a NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a bonus meant to motivate the NEO and is determined on a case by case basis. Awards under this plan are made by way of cash payments only, which payments are made at the end of the financial year.

Stock options are generally awarded to NEOs on an annual basis. The granting of stock options upon hire aligns a NEO's rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Intervention of the Board of Directors

Compensation of each NEO of the Corporation is reviewed annually by the Board.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, performance, and the particular skills of the NEO. Base salary is not evaluated against a formal “peer group”. The Board relies on the general experience of its members in setting base salary amounts.

Performance Bonuses

The bonus for each NEO is determined on a case by case basis. The factors considered in assessing the bonus amounts include, but are not limited to, the position of the NEO and expense control.

Stock Options

The Corporation has established a formal plan (the “**Stock Option Plan**”) under which stock options are granted to directors, officers, employees, and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board determines which NEO (and other persons) are entitled to participate in the Stock Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price and expiry date. For further information regarding the Stock Option Plan refer to section “*Securities Authorized for Issuance under Equity Compensation Plans*”.

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSXV.

Compensation Risk Management

The Board has not proceeded to an evaluation of the implications of the risks associated with the Corporation’s compensation policies and practices. The Corporation has not adopted a policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Corporation’s securities granted as compensation or held, directly or indirectly, by directors or officers. The Corporation is not, however, aware of any directors or officers having entered into this type of transaction.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the performance bonuses and granting of stock options, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101 – Disclosure of Corporate Governance Practices and National Policy 58-201 Corporate Governance Guidelines set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of Directors

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) suggests that the board of directors of a public company should be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the director’s ability to act with a view to the best interests of the company, other than interests and relationships arising from shareholding. In addition, where a company has a significant shareholder, NI 58-101 suggests that a board of directors should include a number of directors who do not have interests in either the company or the significant shareholder.

1. Independent Directors

The independent directors of the Corporation are Hubert Marleau, Dominic Cheng and Maxime Lemieux.

2. Non-Independent Directors

The non-independent directors of the Corporation are Felipe Tan, Joyce Ko, Duncan Hancock and Ma Jianqing in light of the respective positions of Felipe Tan as President and CEO of the Corporation; Joyce Ko as CFO, Vice President Corporate Affairs & Secretary of the Corporation; Duncan Hancock as Investment Director of a subsidiary of the Corporation; and Ma Jianqing as General Manager of Jinchuan Group Co., Limited, which is an insider shareholder of the Corporation.

Orientation and Continuing Education

The Corporation does not currently have a formal orientation program for new directors. The Board has not at this time taken any measures to provide continuing education for the directors. However, measures are taken to ensure that all new directors receive a comprehensive orientation regarding the role of the Board, its committee and its directors, as well as the operation of the Corporation's business. Each new director is provided with a copy of the Corporation's policies and receives a comprehensive introduction to the Board and the Corporation's affairs. Each new director brings a different skill set and professional background, and with this information, the Chairman is able to determine what orientation to the nature and operation of the Corporation's business will be necessary and relevant to each new director.

Measures are also taken to provide continuing education for directors in order that they maintain the skill and knowledge necessary for them to meet their obligations as directors.

The Board's policies are reviewed at least annually and revised materials are given to each director. Technical presentations are regularly given at Board meetings, focusing on the Corporation's business and properties. The question and answer portions of these presentations are a valuable learning resource for the non-technical directors. In addition, directors are invited to visit the Corporation's properties so as to become better acquainted with operational aspects.

Ethical Business Conduct

The Board complies with the conflict of interest provisions of the *Canada Business Corporations Act*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest. The Board has also established a Corporate Disclosure Policy and an Insider Trading Policy to encourage and promote a culture of ethical business conduct. The Corporation takes steps to ensure that directors do not trade on securities of the Corporation when the communication of material information is imminent.

Nomination of Directors

The Board does not have a nominating committee. The current size and composition of the Board allow the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences and ability to devote the required time.

Compensation

The process by which the Board currently determines the compensation of the executive officers of the Corporation is described in the section entitled "Executive Compensation" above. The compensation of the directors of the Corporation is determined by the Board, as a whole. In determining the compensation of the directors, the Board considers the size of the Corporation, its financial resources and the compensation received by individuals occupying similar functions in other comparable Canadian companies.

Other Board Committee – Investment Committee

Upon completion of change of business approved by the shareholders of the Corporation at the annual general and special meeting dated September 6, 2017, the management and Board constituted an investment committee of the Board (the “**Investment Committee**”). The purpose of the Investment Committee is to work jointly to uncover appropriate investment opportunities that meet the Corporation’s investment strategy and the Corporation’s objective of enhancing Shareholder value over the long term on a per share basis. The committee members have a broad range of business and investing experience and networks through which potential investments are expected to be identified. All investments considered by the Corporation are subjected to a rigorous analysis and evaluation, and all major prospective investments and dispositions are channelled through the Investment Committee, which is comprised of Felipe Tan and Joyce Ko. A copy of the Investment Committee mandate is available on the Corporation website at www.gobimin.com.

Assessments

The Board regularly reviews the necessity of setting up other committees as well as the role of its directors, and individual directors are encouraged to give feedback regarding the effectiveness of the Board as a whole.
