GobiMin Inc. Reminds Shareholders to Return Proxy Forms for the Up-coming Special Meeting for its Going Private Transaction

Toronto, Canada, February 15, 2023 (TSXV:GMN) GobiMin Inc. (“**GobiMin**” or the “**Company**”) reminds registered shareholders of the Company (the “**Shareholders**”) to return their completed proxy forms before Wednesday, February 22, 2023 at 9:30 am (Montreal time) for the special meeting to be held on Friday, February 24, 2023 (the “**Meeting**”). Non-registered shareholders who have received Meeting materials with a voting instruction form need to return the form in accordance with its instructions. Further information on the Meeting is set out in the Company’s news release dated January 26, 2023 and in the Company’s management information circular dated January 24, 2023 and other Meeting materials, a copy of which have been filed on SEDAR and can be found under the Company’s profile at www.sedar.com.

The purpose of the Meeting is to consider a going private transaction (the “**Going Private Transaction**”). Shareholders entitled to vote at the Meeting will be asked to consider, and if thought advisable, approve a special resolution authorizing a share consolidation and purchase for cancellation of fractional post-consolidation common shares (the “**Consolidation Resolution**”) which if passed, would result in GobiMin being taken private. In order for the Going Private Transaction to be effective, the Consolidation Resolution must be approved by: (a) not less than two-thirds of votes cast by Shareholders present in person or represented by proxy at the Meeting, and (b) a majority of the votes cast by minority Shareholders (which excludes Belmont, Mr. Felipe Tan and Ms. Joyce Ko) present in person or represented by proxy at the Meeting.

Subject to approval of the Consolidation Resolution, GobiMin will consolidate its issued share capital on the basis of one post-consolidation share for every 30,000,000 pre-consolidation shares. Following the completion of the share consolidation, Shareholders holding fractional shares that are less than one whole post-consolidation share will be entitled to receive a cash payment of CAN\$1.84, less any amount in respect of taxes required by law to be deducted or withheld, for each pre-consolidation share. The Canadian tax implications of the Consolidation for fractional shareholders are summarized in the Circular. Note that in the Circular, GobiMin estimated that the paid-up capital per pre-consolidated share as at the date of the Circular as CAN\$0.685. GobiMin now expects the paid-up capital per pre-consolidated share to be CAN\$0.789.

For the Going Private Transaction, registered shareholders are entitled to a right of dissent as provided for in section 190 of the CBCA and further details of the rights of dissent is set out in the Circular.

The Company cautions Shareholders and others considering trading in the shares of the Company that the completion of the Going Private Transaction remains subject to a number of conditions including, but not limited to, receipt of all regulatory and shareholder approvals. The completion of the Going Private Transaction is subject to the satisfaction of certain other closing conditions customary in a transaction of this nature.
